Fade out

Lead my heart in my own place  
ride up to the stars across the heaven  
Hello! you say you will drive me lazy

Meeting my heart leaving the yard  
Waiting for the night's burst never say never  
We freak we burst pasting from our angles

When I am standing on my head  
you are crazy smiling  
Now we don't have it, we are mad  
go round this speedy romance

You have the time to take a break  
get up to find your lost control

Someone loves you trust your soul  
looking for the right size and a good measure  
I am a tough guy from the sky  
my good will drive me crazy

When I am standing on my head  
you are crazy smiling  
Now we don't have it, we are mad  
go round this speedy romance
